      autoSplit: true,
      smartWrap: true
    });

    currentTween = gsap.from(split.chars, {
      opacity: 0,
      stagger: 0.03 / SETTINGS.textSpeed,
      onComplete: () => {
        split.revert();
        currentTween = null;
        resolve();
      }
    });
  });
}
```

A stylized, futuristic corridor with a dark blue and purple color palette. The walls and ceiling are composed of angular, metallic-looking panels. Several bright blue neon light tubes are mounted on the walls and ceiling, casting a glow. In the center of the corridor, there is a large, semi-transparent blue rectangular overlay with rounded corners. Inside this overlay, the words "Live Demo" are written in a clean, white, sans-serif font. The floor is dark and reflective, showing the light from the neon tubes. In the background, a doorway is visible, and a small digital display on the wall shows "23°".

Live Demo

A stylized, futuristic illustration of a sci-fi corridor. The walls and ceiling are composed of dark, angular panels. Bright blue neon light tubes are mounted on the walls and ceiling, casting a cool glow. In the center of the corridor, a large, semi-transparent blue rectangular box with rounded corners contains the German text "Danke für eure Aufmerksamkeit" in a clean, white, sans-serif font. The floor is dark and reflective, mirroring the lights and the central box. The overall aesthetic is high-tech and modern.

**Danke für eure
Aufmerksamkeit**
