        currentTween = null;
        resolve();
      }
    });
  });
}
```

A stylized, futuristic illustration of a sci-fi corridor. The walls and ceiling are composed of various geometric panels, some of which are illuminated with bright blue neon light. The floor is dark and reflective, mirroring the lights above. In the center of the image, a semi-transparent blue rectangular box with rounded corners contains the text "Live Demo" in a clean, white, sans-serif font. The overall color palette is dominated by deep blues and purples, with the neon providing a strong contrast.

Live Demo

A stylized, futuristic illustration of a sci-fi corridor. The walls and ceiling are dark blue and grey, with various panels, vents, and glowing blue neon light tubes. The floor is also dark blue with a grid-like pattern. In the center, a semi-transparent blue rectangle with rounded corners contains the text. The overall aesthetic is clean and modern, with a strong emphasis on blue and grey tones.
